"With over 28 years experience within the property industry I have a wealth of knowledge in delivering exemplary and unsurpassed discretionary customer service to all clientele"

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO_2) emissions. The higher the rating the less impact it has on the environment.
